***Mission:** To evolve information into opportunities by promoting and encouraging students to consider post-secondary education without the fear of financial barriers; providing students with vital tools and techniques related to scholarship preparation, seeking, and achievement.*

Greetings:

On behalf of PACE Scholarship Academy (PACE), it is with great pleasure that we announce the Train-the-Trainer Conference on **Saturday, August 3, 2019**, to which you are cordially invited. We are extending this invitation to all education leaders across the United States. The conference will be hosted at the **Heyward Career & Technology Center** (3560 Lynhaven Drive, Columbia, SC 29204) from **9:00 am to 1:00 pm. Registration will begin at 8:30 am.**

The Train-the-Trainer conference is designed to bring education professionals together to network and share vital tools and techniques to better serve the students. All students deserve the opportunity to obtain a post-secondary education and as education leaders, it is our job to provide them access to as many available resources as possible. This conference will address a lifecycle of topics relating to scholarship awareness, preparation, and achievement for our students, as well as best practices for managing tasks that fall under the many professional hats that we are entrusted to wear.

The objectives of this conference in no way negates the current work and efforts of education professionals, but rather, offers an opportunity for similar-driven professions to come together to make sure the needs of all students are addressed. This initiative speaks to the degree that leaders will go to achieve exemplary results.

Our Train-the-Trainer conference also offers insight from local and state scholarship organizations about their resources and what they look for in potential recipients. Our goal is to openly discuss the struggles that accompany managing so many students at one time, and work together to not only advance the way we deliver assistance, but to establish a connected platform where all education professionals can come together and thrive.

Following this letter will be a registration form for you to sign-up as an attendee. You can also register for the conference on Eventbrite (*PACE Scholarship Academy Train-the-Trainer Conference*). If you have any additional questions, comments, or concerns, please feel free to contact me directly at [pacescholarshipacademy@gmail.com](mailto:pacescholarshipacademy@gmail.com). Thank you for your commitment to our students and we look forward to your attendance at the Train-the-Trainer Conference.

Best regards,
