Advertisement for a Lead Pastor

Pleasant Hill Missionary Baptist Church (PHMBC) is a small but growing Bible-based church in Lexington, South Carolina. Our church has been in existence for 160 years. Our current Senior Pastor, Reverend Eugene Rush, Jr., has announced his retirement effective December 31, 2025. We are deeply grateful for his leadership for the past 20 years!

PHMBC is seeking a Lead Pastor that is passionate and Spirit-filled, coupled with a heart to care for our congregation. The Lead Pastor should guide us in fulfilling our vision of being a Christ-Centered Church; this means PHMBC will be a light in the community that inspires us to reach out to our neighbors.

The Lead Pastor's qualifications are to be in line with those of 1 Timothy 3:1-7 and Titus 1:5-9. All candidates must have a passion for the Word of God and demonstrate agape love. An educational background focused on Christian Education is preferred but not required. Some of the expectations that PHMBC is looking for in a Lead Pastor are:

- Respect PHMBC Constitution and By Laws.
- Have the heart of a Servant-Leader.
- Hear God's vision for PHMBC and inspire the disciples to run with the vision.
- Train, develop, and encourage all disciples and leaders in the Word of God.
- Encourage the Youth to grow in faith by teaching the Word and recognize the gifts in children and teenagers.
- A communicator who walks with God by leading, preaching and teaching God's Word.

The suspense date to receive resumes and credentials of ordination from candidates for Lead Pastor is December 30, 2025. All resumes with credentials of ordination may be received by email or US Mail.
